"Thank You"

Thanks to everyone who helped with the funeral of **Pastor Jerry Gray** on February 15th. It was an honor to be the host church, the last congregation where he led worship, preached, and led Bible Study. With the electricity shut down part of the time, the people of St. John's showed what it means to be the church, working together, making decisions together, adapting to unforeseen circumstances, creating an atmosphere of determination, and using many and varied skills and knowledge to solve problems. Thanks, also, to those who contributed food for the meal, and helped in the kitchen. All in all, Pastor Gray's life was celebrated well and the Good News of the Resurrection was proclaimed. The family and those from other churches, including three pastors and the United Methodist District Superintendent (think bishop) all expressed appreciation. **THANK YOU! THANK YOU! THANK YOU!**

Contacting Pastor Ralph

If you have a prayer request, or want to talk, you can reach Pastor Ralph, who is always interested in knowing if there's an illness or hospitalization.

Phone and text: **419-581-1837** or **814-580-5844**
